## **RE: Gaagagekiizhik Elementary School and Bimose Community High School reopening schedule**

Boozhoo Parents, Guardians, Students, and Community Members,

We have been given direction by our Board to delay our in-person school programming until September 21<sup>st</sup>. However, starting September 8<sup>th</sup>, 2020, we will be providing online learning through Google Classroom. We have ordered individual Chromebooks for every student and plan on using these as part of our learning platform. When they arrive, we will connect with each family to arrange delivery of the technology for student learning.

Students will be taught through synchronous learning using Google Meet and/or Zoom online communications with their teachers.

We are also providing, at the school, one-to-one mental health support and counselling by appointment only. This is to ensure we are taking every precaution needed to keep everyone safe. The required Protective Personal Equipment (PPE) will be worn during these appointments at all times. A full sanitization will be done before and after each appointment as well. If in-person mental health support and counseling is not feasible at the school, we can accommodate by utilizing Zoom video communication. If any one-to-one tutoring is required, we can facilitate this over Zoom video communication as well.

If you have any questions, please connect with one of the principals listed below.

Miigwech,

**For Elementary:**  
Wendy McPherson – Principal  
(807) 548-4912 ext. 102

**For High School:**  
Darcy Wickham – Principal  
(807) 548-4912 ext. 110
